

# MARY BETH CROSS

---

## NEWS and REVIEWS

### Fresh Sounds in the World of Bluegrass

By Reviewer Taylor Coughlin

*First Quarter 2013 IBMA* (online edition)

"Singer-songwriter Mary Beth Cross weaves bluegrass, folk and Americana on this album, featuring original tunes, and African Spiritual, and some covers like The Gershwins' 'Love Is Here To Stay'. Inspired by the spirit and grit of the pioneers, *Beyond Good and Evil* is a tribute to the melting pot America has become and what we treasure."

### A Record to Define Herself

By Tim Wenger

*Colorado Music Buzz Magazine*

"Her voice is reminiscent of sixties folk music. Her guitar work is soothing and sits perfectly underneath her vocals. Mary Beth Cross has a record to define herself in 'Beyond Good and Evil'. A good cross between folk and Americana, the album maintains a steady tempo and is an easy listen, bringing the mind in and chilling it out soft melody. The title track is the best song on the record, Cross' voice sailing with the music to the perfect notes, emotional and deep, "beyond good and evil, byond faith and hope." Picturesque lyrics flow through the album, with Cross painting images in each song, leading smoothly into the next. It is a must-have record for the high altitude music lover."

### Making a Name for Herself

By Reviewer Matheson Kamin

(Rating: 5 Stars)

"Denver-based singer-songwriter Mary Beth Cross is making a name for herself in the music industry. With a long list of influences to draw from that includes the like of Richard Thompson, the Indigo Girls, Bob Dylan, Alison Krauss, Emmy Lou Harris and many others, Cross has started creating her own musical bland that incorporates large amounts of folk, bluegrass, country and other genres. This form of Americana music appears on Mary Beth Cross' albums, including her latest release, *Beyond Good and Evil*."

### Something That Deserves to be Heard

By Reviewer Ross Barber

(Rating: 4.5 Stars)

"'Beyond Good and Evil' is a well produced and sincerely performed collection of original and cover material. Cross has the ability to draw a listener in and tell stories with conviction, compassion and heart, and that is something that absolutely deserves to be heard."

## Mary Beth Cross

Review for "Beyond Good and Evil"

By Reviewer Christian Lamitschka

*Country Music News International*

"Mary Beth has created a traveling adventure of soul, sorrow, happiness, and certainly discovery and opportunity... The musical expressions expressed here are worthy of note. In total, this CD is worthy of being submitted to the Rural Roots Music Commission for their take on 'Americana CD of the Year!'"

## "Beyond Good and Evil"

is available for \$15 at leading online music retailers, including Amazon and iTunes.
